RIDDHASOFT PVT. LTD PROPOSAL FOR RESTAURANT ORDER MANAGEMENT SOFTWARE
For Independent Contractors

OVERVIEW

Riddhasoft Pvt. Ltd is pleased to submit this proposal for services to support I in achieving its goals for improving order management system and billing in the field of restaurant.

Riddhasoft Pvt. Ltd. is working as software company for the development of applications in webs, desktops and mobiles. We provide the better solution for the complexities arise in companies by the medium of software in the field of human resource management ,restaurant management and so on.

The Objective

Cloud based solutions can overcome many real time management problems faced by manager in a restaurant. Cloud base solutions will deliver any information from source to destination in no-time. Our software is highly advance and integrated in a single channel to provide best solution fast, accurate and reliable solution.

We can incorporate organization having various branches in any geographic location. The order placed by customer is processed systematically by maintaining the work flow.

Mobile (Smart Phones) are becoming closer to the human habits and daily routine. Any information will reach to the targeted audience if it is sent through mobile. We are providing mobile web service for ordering the desired dishes.

We provide the billing of the order in simple and effective way. The calculation of discount ,service charge and VAT is done by the system as a result of bill in your hand for the customer.

The Solution

- We will provide our proposed services within the week of the SRS sign off.
- We will implement our system in phase wise manner.
    - o   Software installation
    - o   Software Training and Data migration
- System Customization as per your request.

OUR PROPOSAL

We have developed solutions to help any restaurant of any size to manage order management with ease and gain a maximum outputs and implement our cloud based software. Our solution provides the betterment for the management of your restaurant. It provides weekly, monthly and yearly sales report of your restaurant by which you can analyze the status of company easily.
